### Service Activity

The service activity function provides online access to all service information for the sites, equipment, and service activities that you are authorized for. Clicking any of the links provides more detailed information for that entry.

**Summary**  
The summary provides an overview of all service activity for all sites for which you are authorized grouped by status, call type, and system type.

**Call Status**

- Open 13 406
- Closed 150 410

**Call Type**

- Preventive 146 414
- Corrective 17 416

**System**

- Fire 18 420
- HVAC 56 422
- Mechanical 54 424
- Security 35 426

**Detail**  
The table below lists detail for all sites, as well as the service activity information associated to them, for which you are authorized. Clicking any table header will sort the data by that column. You can also export the table content to another format by clicking the desired file format symbol to the right.

Item 1-5 of 43

### Service Order

Below is detailed information for the individual service order you have selected.

#### Summary

The summary provides an overview of information related to the selected service order number.

Service Order No.	030321-0852	Customer Name	Demonstration Customer
PO Number	200303974	Contract No.	
Site	SZ MULTIPURPOSE (8251013)	System	Mechanical
Status	Open	Open Date	4/23/03
Call Type	Preventive	Closed Date	
Request Type	fax		
Problem Type	Repair or Replace Parts		
Call Priority	Next Scheduled Visit		

#### Detail

The problem and resolution area provides a description of the requested service and what action has been taken to resolve the issue.

Problem Description REPLACE SCREENS FOR CIRCULATION PUMP STRAINER  
Resolution

#### Further Information

Use the following links to get further equipment, call, or appointment information.

go to Equipment Call Log Appointments

Equipment 610 620 630  
The table below lists equipment that was serviced on the selected order number.

No Data Available.

#### Call Log

The table below lists all activities logged to the selected service order number.

### TSP Contracts

The TSP contracts function provides online access to all service contract information for the contracts and sites for which you are authorized. This overview screen informs you, in an aggregated form (overall and per site), of the number and value of existing contracts. Special attention should be given to expiring contracts. Clicking any of the links provides more detailed information for that entry.

**Summary**  
The summary provides an overview of all service activity for all sites for which you are authorized grouped by status and system type.

Contract Status	System
Active	1104
Expiring	1106
Cancelled	1108
Expired	1110
	1112
	1114
	1116
	1118
	1120

**Detail**  
The table below lists detail for all sites, as well as the service activity information associated to them, for which you are authorized. Clicking any table header will sort the data by that column. You can also export the table content to another format by clicking the desired file format symbol to the right.

Item 1-5 of 6 1124 1126 1128
